OUR SERVICES

Accounting & Tax Services in Bangkok

Our multicultural team of accountants led by a CPA ensures full compliance with the TFRS. Our unique approach focuses on real-time bookkeeping and financial dashboards to give clients timely access to critical business insights for informed decision-making.

BizWings

Daily Bookkeeping Services

We provide **real-time bookkeeping** services that keep your financial records up-to-date and organized at all times. Receive monthly reports **faster** than our competitors.

Tax Preparation Services

Our team manages **tax filings** and compliance for VAT, WHT, and CIT, ensuring **monthly** and **annual obligations** are met efficiently. We also provide specialized **BOI Tax incentive solutions** for BOI companies.

Payment Handling Services

Our team engages in the efficient **processing** and **management of payments**, ensuring timely and accurate transactions with your **suppliers**.

Management Accounting Services

Our team provides in-depth financial insights through our monthly **management reports**, quarterly or monthly analysis, helping you make **informed business decisions**.

Statutory Audit and Audit Support Services

Through our partner, BizWings Audit, we provide statutory audit services for SMEs and BOI-promoted companies in Thailand. Our certified CPAs deliver TFRS-compliant audit reports with multilingual support. We also provide audit support services for audits conducted with third-party auditors.

Statutory Audits Services

Our **CPAs** conduct financial statement audits and prepare **statutory audit reports** that ensure compliance with the **TFRS** and meet the requirements for submission to the Ministry of Commerce.

Tax Audit Services

Our tax audit services verify the accuracy and compliance of your **corporate tax returns** with Revenue Department regulations. We **identify discrepancies**, recommend corrective actions, and help you **avoid penalties**.

Audit Support Services

For our accounting clients, we serve as the dedicated audit liaison and **coordinate directly with your chosen audit partner. This integrated approach minimizes operational disruption and accelerates audit completion.**

Corporate Secretary Services

Our Corporate Secretary experts provide services related to company registration in Thailand, BOI Licence support, Foreign Business License support, and ongoing governance compliance, such as Annual General Meetings, share transfers, change of accounting periods and more.

BizWings

Company Registration Service

We provide company formation services for both **normal** and **BOI-promoted** businesses, ensuring **smooth registration** and compliance (DBD filings, tax registration, bank openings etc).

Licensing and Registration Service

We assist with **BOI License support, Foreign Business License acquisition** and registration with government offices, such as the **Revenue Department** and **Social Security Office**.

Share Certificate and Ad-Hoc Support Service

We support shareholder changes, director appointments, AGMs, ensuring **compliance** with **Thai corporate regulations**. We also issue share certificates, share transfer procedures, and provide **ad-hoc services**.

Company Dissolution Service

We provide compliant **company closure processes** including asset liquidation, creditor notifications, employee obligations, and final **DBD deregistration procedures**.

Payroll, Visa & Work Permit Services

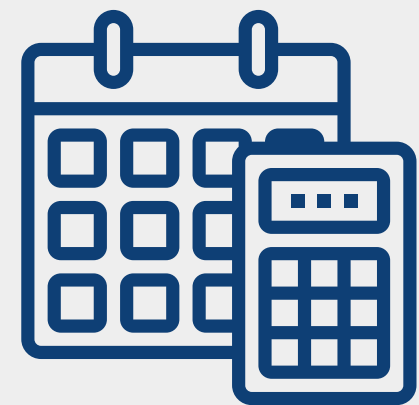

Our multilingual experts offer integrated HR solutions for foreign companies in Thailand. We specialize in payroll outsourcing services with accurate tax contribution calculations (including personal income tax) as well as visa and work permit services for expatriates and their families.

BizWings

Visa and Work Permit Services

Visa services in Thailand for **expats** and **their families**, including visa applications, extensions, renewals, and cancellations. We handle **all immigration office interactions** and 90-day reporting requirements.

Payroll Outsourcing Services

Full payroll outsourcing, including **salary processing**, **tax calculations**, **Social Security contributions**, and government reporting. We ensure accurate, compliant and **timely payments**.

Recruitment Support Services

End-to-end recruitment support for companies seeking **quality talent** in Thailand, including candidate **sourcing**, comprehensive **screening**, **interview** coordination, and employment contract drafting.

HR Policy Support Services

Our team develops **HR policies** that comply with Thai law, including **Work Rules**, Anti-Harassment and Non-Discrimination Policies. We help create a **fair** and **productive** work environment.

Business Advisory Services

We deliver strategic business advisory services for foreign companies expanding in Thailand or internationally. Our experienced advisory team conducts services related to M&A due diligence, financial management reporting, feasibility studies, and local market analysis.

BizWings

Financial Management and Reporting Services

We provide financial management support, including the preparation of **management reports** for parent companies abroad, **cash flow optimization**, and **internal audits** tailored to management needs.

M&A Due Diligence Services

Comprehensive **financial, tax, and legal due diligence** tailored to inbound transactions, ensuring foreign investors make informed, compliant **M&A decisions** in Thailand's regulatory environment.

Market Entry & Feasibility Services

BizWings supports businesses expanding within Thailand through **feasibility studies**, research on local laws and regulations, **business plan formulation**, **transfer pricing**, and local market analysis.

Overseas Expansion Services

Our team leverages PrimeGlobal's network to support global expansion, providing **cross-border** market entry strategies, **regulatory monitoring**, international tax planning, and compliance guidance.

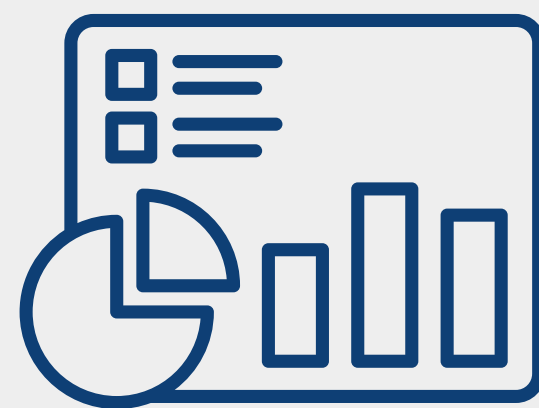

Online Assistant Services

We offer flexible and cost-effective online bilingual administrative support assistant solutions for businesses in Thailand. Our professional assistants handle document management, communication support, basic research, Thai-English-Japanese translation to streamline your administrative tasks

Administrative Support Services

We offer **administrative support tasks** which does not require specialized or expert knowledge to conduct on a case by case basis.

Basic Secondary Research Services

Our team conducts basic research with **public information** to support your business needs, providing **valuable insights** and information.

Translation Support Services

We provide **Thai-English-Japanese** translation services for business documents, ensuring clear communication across languages.

Communication Management Services

We handle **email correspondence**, **respond to routine inquiries**, and manage client communications to maintain clear, professional engagement.

Travel Arrangements Services

We assist with **booking** flights, hotels, and transportation for business trips, making **travel planning efficient** and hassle-free.

Working With Us

When working with BizWings, you are assigned a dedicated account manager able to speak in Japanese, English or Thai that will coordinate all your engagement with us to ensure smooth and clear processes.

- Brief info session on the services to ensure the management know how things work
- Q&A session to answer any potential questions regarding the services

Client's working team and BizWings' working team will come together in this meeting to discuss practical matters on how to collaborate to ensure seamless coordination

After first month of service, the first review meeting will be arranged for any work collaboration adjustments needed and get feedback on the collaboration

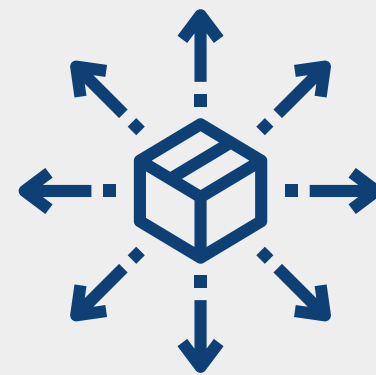

After month 2 of service, another review meeting will be set up to address any remaining collaboration needs

At the end of month 3 of service, the final review will be set up to discuss any outstanding issue before going to Business As Usual phase

- Ongoing check-in
- Annual satisfaction survey

Our Industry Expertise
